NOTICE

Ref : QS/MC/NOTICE/DS/2022/153
Date : 12th August 2022
To : All Owners / Tenants
From : The Management, Q Sentral
Subject : **SHUTDOWN OF MAIN POWER SUPPLY**

Dear Sir / Madam,

Kindly be informed there will be a major power shutdown, causing interruption of electrical power supply to all internal units. The building HT (High Tension) and LV (Low Voltage) system will be switched off and serviced.

The power shutdown is a preventive maintenance exercise in accordance with the requirements of the Energy Commission Malaysia (Suruhanjaya Tenaga Malaysia).

During the said event, internal offices will be affected as there will be no electrical power supply. As a result, there will be no power supply for electrical and electronic related equipment, lighting and air conditioning. However, common area amenities such as lights, lifts, air conditioning, firefighting system, turnstiles and etc; will be switched on, at a minimum range.

All occupants are advised to back up your servers and any of your electrical power dependent system / equipment during the said event with uninterrupted power supply (UPS).

The details of the shutdown are as follows:

Date : 16th September 2022 – 18th September 2022
Activities : Friday [Public Holiday] (10.00 am) – Switching and Shutdown
Saturday – Servicing and Shutdown
Sunday (completed at 2.00 pm) – Testing and Commissioning

We apologize for any inconvenience caused. Your understanding is highly appreciated.

Should you have further inquiry, kindly contact the Management Office at 03 2730 2041 or email to helpdesk@qsentralkl.com.

Thank you.
The Management
